

PILOT DEVIATION PREVENTION SERIES; AIRSPACE - SESSION 1 OF 2

SESSION 1 OF 2. Don't miss this exclusive briefing on Airspace and Pilot Deviation Awareness. Pilot deviations continue to happen at an alarming rate; Don't be the next statistic! This information is essential for all pilots operating in the Washington DC area. Also, consider registering for Session 2 on FAASafety.gov.

Directions: I-66W to exit 44, right onto Rt. 28 South. Left at light onto Piper Lane. Straight ahead for approximately 1.25 miles. Dulles Aviation is located on at North Perimeter Rd and Observation Dr. Seminar in the large training room at the rear of the bldg.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
